**Jaipur:** Going from strength to strength, Rajasthan Housing Board (RHB) has yet again proved that better management can help to overcome economic slump and financial woes brought by the Corona pandemic. This was evident on Wednesday when the RHB sold off a nine square meter shop in Madhuban Scheme at Jodhpur at nine times its listed price! The list price for the shop was Rs 6.75 lakh, however, it was sold off for Rs 49 lakh! Similarly, another 9 sq mt shop in the same scheme, with a list price of Rs 6.30 lakh, was sold off for Rs 17.33 lakh ie

"People were excited to take part in the 'Apni Dukaan - Apna Vyavsaay' scheme of the RHB. On the first Wednesday of this scheme total 185 commercial properties were sold generating 26.57 crore rupees in revenue. Moreover, 101 resi-

Launched by CM Gehlot a week back, the scheme has sold off properties worth 27 crore rupees in its first week and therefore it is already a success on its first day!
