BMCHRC/2019/

December 5, 2019

To,

**The Commissioner,**  
Rajasthan Housing Board,  
Jaipur.

**Ref :** Allotment of land approximately 10000 sq mtr for the construction of building of BMCHRC College of Nursing.

Dear Sir,

BMCHRC College of Nursing a unit of Bhagwan Mahaveer Cancer Hospital, Jaipur is functioning since 2005 and imparting the service to the nursing students in the following subjects:

S.No.	Name of Course	Number of seats
1.	GNM	40 students per year
2.	Bsc Nursing	30 students per year
3.	Msc Nursing	10 students per year

The college was functioning in the premises of BMCHRC but later on it was shifted in the rented building, but as per norms of Indian Nursing Council now the college should have its own building to run the college. The premises of BMCHRC does not fulfill latest guidelines of INC as the space is very limited in BMCHRC premises and at the same time the UDH Department does not permit to operation of nursing college in the BMCHRC premises.

In view of the above circumstances as the management of BMCHRC is unable to continue with the college of Nursing, as we do not have sufficient land and building.

The management is keen to run the college and hence, we request you to allot the above mentioned land so that a separate building with all modern facilities with nursing hostel for boys & girls separately may be constructed and we can run the BMCHRC Nursing College as per guideline of Indian Nursing Council.
