Jaipur: The Rajasthan Housing Board (RHB) has been creating records after records as far as sale of properties is concerned, however, this time around the Board has created a record that finds no parallel anywhere else. The RHB has completed a half century of project registration with RERA in the shortest time ever, thereby setting a new record! Notably, now RERA has the most registered projects of Rajasthan Housing Board.

On this occasion, RERA Chairman NC Goyal has sent a con-

gratulatory message to RHB Commissioner Pawan Arora wherein Goyal has said that RHB is the first institution, which has not launched any project without first getting registered in RERA.

Along with this, Ra-

jasthan Housing Board is fully following all the rules and regulations of RERA, which has not been seen anywhere in other states of the country. Commissioner Pawan Arora has made the functioning of the Board quick and trans-

parent, the message read.

Rajasthan Real Estate Rules were created by state government in 2017 to protect interest of home buyers, fix accountability of developers and bring transparency in home purchases

and in 2019, Rajasthan Real Estate Regulatory Authority (RERA) was established. It is worth mentioning that according to the central law, it is mandatory to register projects with an area of more than 500 sqm with RERA.

The commissioner informed that all the recently launched housing schemes, including Atish Market, Mansarovar, Ayush Market and Rana Sanga Market, Pratap Nagar developed in Jaipur, have been registered in RERA. These in-

clude 46 projects of group housing scheme and 4 projects of plotted development scheme.
